

End mills grinder

ITM 2003 - THG

Machine occasion N° de stock : **A3233**

| | |
|-------|------------|
| Model | 2003 - THG |
| Year | 1998 |

| | |
|----------------------------|---------------|
| CNC system | FANUC 15 M |
| C.N.C. | 5 pins |
| Max. diameter | 50 mm |
| minimum diameter to thread | 3 mm |
| Maximum length | 250 mm |
| Angle | 8° |
| Grinding wheel diameter | 280 to 350 mm |
| Working speed | 80 mm/s |
| Weight | 2900 Kg |

Automatic central lubrication system
 Conventional grinding wheels, Diamond or CBN
 In-Process gauge for automatic measurement in the machine
 Automatic charger
 Performing threading and chamfering operations
 Single or multiple profile grinding wheel
 CNC contouring or plunge dressing
 Automatic loader using Reishauer tapes
