

Centre lathe

## FAT TUR 630M

Machine occasion

N° de stock : **C5017**

Distance between centers

2500 mm

Turning diameter

630 mm

|                                        |                       |
|----------------------------------------|-----------------------|
| max. admitted diameter over the slides | 380 mm                |
| Width of the bed                       | 433 mm                |
| Hole through spindle                   | 90 mm mm              |
| Number of speeds                       | 21                    |
| Control motor                          | 15 Kw - 1460 T/mn     |
| Dimensions                             | 4400 x 1450 x 1650 mm |
