

Swiss type CNC lathe

TORNOS DECO SIGMA 8

Machine occasion

N° de stock : **DB3008**

Year	2007
Model	Deco Sigma 8

Maximum admitted diameter	10 mm
3264	20
Spindle speed	15000 RPM
Spindle indexing _ C axis	0.001°
Carriage stroke	de contre-broche 15000 mm
working stroke	120 mm
Spindle power	5 KW
Number of stations	possible rotating 3
Stroke	0 à 10000 mm
Number	5 simultaneous + 2
Dimensions	1670x870x1650 mm
Weight	1600 Kg

[Technical documentation](#)

Counter-spindle indexing: 0.001°

Equipments

- CN FANUC 32i Model A
- Automatic barfeeder with LNS Tryton 112 magazine (diameter 1 to 12.7 mm)
- Programming with TB-Deco or ISO code
- Compact oil mist filtration Filtermist FX2000
- 2 radial turning tools 12×12 mm
- Support plate 8 tools square 8×8 mm
- Support plate 4 holes diameter 16 mm
- Double support plate low 2 holes 25 mm
- Lubrication tank with pump
- Parts ejector
- Separator for pneumatic parts, evacuation by chute
- Lamp

Machine sold without the 4 drill toolholders and without the pieces's vacuum.
